Boston Latin School Job Posting, MSW II/28 Hours. Children's Hospital Neighborhood Partnerships Program (CHNP) has an opening for a part-time, twenty-eight hour per week, position at Boston Latin High School. This position is three full-days on site at the school and one half day at the hospital for trainings, staff meetings, and supervision. The social worker will be conducting psychosocial assessments of students, providing teacher and family consultation, and conducting mental health and other referrals. The majority of the job is assessment; conducting one to four sessions with students to determine needs. Job may also entail some group work, possibly after school, around stress management and other mental health related topics. The candidate will work closely with the guidance department at Boston Latin. This position requires an LICSW, school based experience, and strong assessment and consultation skills. The candidate must possess solid interpersonal and communication skills. To apply, please contact Shella Dennerly, LICSW, Director of the Children's Hospital Neighborhood Partnership Program at: shella.dennerly@childrens.harvard.edu

LICSW: Laurel Hill Inn provides residential, day and evening treatment programs at locations in West Medford, West Somerville. We seek a full time LICSW to manage our intensive outpatient program. Duties include oversight of our IOP program as well as some clinical responsibilities at our residential program. Our programs are offered in non-institutional settings. LHI treats clients from throughout the United States. Extensive experience in the treatment of eating disorders is required. Inpatient, residential or day treatment e-xperience preferred. Competitive salary-benefit package based on experience and skill. Contact Linda at 781 396-1116 or visit us at www.laurelhillinn.com.

The Richard J. Murphy School, Job Posting, MSW I/20 Hours. Children's Hospital Neighborhood Partnerships Program (CHNP) has an opening for a part-time, twenty hour per week position the Murphy School in Dorchester, MA. This position is two full-days on site at the school and one half day at the hospital for trainings, staff meetings, and supervision. The candidate will provide group work with middle school students. The group work will be in small group but also classroom wide prevention activities. This position requires an MSW and MA social work license, school based and group work experience. To apply, please contact Shella Dennerly, LICSW, Director of the Children's Hospital Neighborhood Partnership Program at: shella.dennerly@childrens.harvard.edu
